OUR MISSION

WHO WE AIM TO BE

To be the leading sporting organisation in fan, consumer relationship management and engagement. To advance growth and returns for sporting organisations who engage through Sportzplanet whilst opening access and opportunity for all to connect globally.

SPORTZPLANET

Our sporting programs

Just some of the activities we are involved in.

ATHLETE ENGAGEMENT

Working with leading athletes to connect with destination and event sponsorship and marketing throughout Asia.

EVENTS

We create enjoyment and fulfilment by bringing unique events into destinations such as Cristiano Ronaldo Campus. Events that connect world best athletes and brands with Asia.

HIGH LEVEL ENGAGEMENT

Opening new markets for international organisations to successfully operate and engage in Asia.

SPORTZPLANET

Our sports MetaHub platform

The way in which sporting organisations can connect to fans and consumers globally.

JUST PURE ENGAGEMENT

Sportzplanet has created the most advanced digital sports engagement platform to drive seamless connection for sporting organizations to connect with fans and consumers globally

WATCH AND CONNECT LIVE

We create digital journeys, virtual worlds that drive engagement. Live and pre-recorded events, a virtual connection that adds a whole new dimension that accesses an entire new generation

ONLINE RETAIL

Allowing people to buy direct online any sporting teams merchandise, tickets, memorabilia, tours and events

SPORTZPLANET

Our sports engagement platform

The way in which sporting organisations can connect to fans and consumers globally.

ATHLETE ENGAGEMENT

Now sporting fans can connect globally to their favourite players, a locker room experience that goes beyond any other player experience.

SPORT NFT'S

The future of sport technology is in NFT's, create your own virtual Art Gallery. Upload images, videos even catalogues. We can even host a live auction and facilitate networking between sellers and buyers.
